How can I maintain my seating category when the team returns to Leichhardt Oval?

To preserve your seating category for the redeveloped Leichhardt Oval in 2028, you must maintain the same Membership category in 2027 that you held in 2026. For example, if you held a seat in the Latchem Robinson Stand (Gold) in 2026, you must purchase a Gold-category Membership in 2027.

What if I only want to attend matches at Leichhardt Oval?

To secure priority access to the redeveloped stadium in 2028, you must maintain your 2026 Membership level throughout 2027. Letting your Membership lapse or downgrading your category in 2027 will result in losing your priority seat allocation.

What options do Full-Season Members have for 2027?

Full-Season Members simply need to maintain their Membership at CommBank Stadium and Campbelltown Stadium for the 2027 season to preserve priority access for Leichhardt Oval in 2028.

What options do 5-Game Leichhardt Oval Members have for 2027?

5-Game Leichhardt Oval Members can choose between two discounted options to retain 2028 seating access:

- Option 1: Renew into a LOV27 5-Game CommBank Stadium Reserved Seat Membership.
- Option 2: Renew into a LOV27 5-Game Flexi Membership.

I can't find these packages online?

This is by design. Members eligible for these packages have had these placed as renewal orders for the 2027 season.

What happens if I downgrade my Membership or change categories in 2027?

Downgrading your Membership category in 2027 will forfeit your right to the equivalent seating category you held at Leichhardt Oval in 2026.

Can I upgrade my Membership in 2027 to get better seats at Leichhardt Oval in 2028?

Priority allocation is given first to Members who maintain their 2026 category, factored by consecutive tenure. Any remaining unallocated seats will then be offered to 2027 Members looking to upgrade.

When will more information about 2028 seating allocations be available?

As the stadium redevelopment progresses, the Club will share updates and host information sessions throughout the year to keep Members informed.

How will seats at the redeveloped Leichhardt Oval be allocated?

Allocations will be determined by your 2026 seat location, continuous Membership tenure, and Membership category.

Will I get the exact same seat I had previously?

Due to changes in the venue's master plan and seating map, exact seat locations may shift slightly. However, provided you meet the renewal criteria, our team will make every effort to allocate you as close as possible to your 2026 seat location and group dynamic.

What is the deadline to retain my priority seating access?

The deadline to retain your priority access is five (5) days after the official NRL Draw release (expected mid-November).

How can I request a seat change or upgrade for 2028?

Seat change requests can be submitted during renewal; however, allocations remain subject to 2026 seating history, category tier, and tenure ranking.

When is the deadline to renew before I will lose access to my seats?

The same seat deadline will be 5 Days following the release of the NRL Draw. We anticipate this to be mid November.
