When I get to the stadium, I will follow the signs to the gate listed on my ticket

It will be busy and noisy because the Easter Show is happening next door too.

I can bring noise-canceling headphones to help me with the noise.

If it is busy when we get to the gate I might have to line up.

I might hear loud music from inside the stadium while I wait.

We will scan our tickets, and then we will walk inside.

When I get inside, I will follow the signs to the Aisle that my ticket has listed down.

Depending on my ticket, I will be sitting either on the ground level or high up in the grandstand.

If I am sitting at the grandstand, I will have to walk up a ramp to get to my seat.

As tickets are General Admission, I can only sit where my ticket is allocated.

There will be staff in either blue or orange uniforms who will be more than happy to help me find my seat.

If I need to go to the toilet, I can use the toilets in the lobby when I walk out from the Aisles

The toilets can get pretty busy, so I will need to be aware of the noise

I can bring something from home to eat and drink
I just can't bring hot food, or drinks in cans

When the game is over, we leave the stadium the same way we entered it

It will be crowded as a lot of people will leave the stadium to go home

I can choose to wait to leave when it is less crowded
