

Message from Reconciliation Australia

Justin Mohamed
Chief Executive Officer

Reconciliation Australia congratulates the Wests Tigers Rugby League Football Club on developing its inaugural Reconciliation Action Plan (RAP).

In adopting an Innovate RAP, Wests Tigers is demonstrating its readiness to develop and test innovative approaches to reconciliation and champion reconciliation at every level of the organisation. Wests Tigers' commitments

in its RAP stand it in good stead to continue this progress across the key pillars of reconciliation - relationships, respect and opportunities.

Wests Tigers understands the importance of building and maintaining meaningful, respectful relationships with Aboriginal and Torres Strait Islander peoples and organisations in order to achieve mutually beneficial outcomes. It drives these relationships through the celebration and promotion of community events such as National Reconciliation Week (NRW), which it promotes on an internal and external level.

Respect and understanding for Aboriginal and Torres Strait Islander peoples, histories and cultures is key to Wests Tigers' core values. It champions this by committing to engage employees in understanding the significance of Aboriginal and Torres Strait Islander cultural protocols, such as Welcome to Country and Acknowledgement of Country.

Wests Tigers is committed to driving reconciliation through developing employment and training opportunities for Aboriginal and Torres Strait Islander peoples. It demonstrates this through its commitment to developing and implementing an Aboriginal and Torres Strait Islander employment strategy in consultation with existing employees.

On behalf of Reconciliation Australia, I commend Wests Tigers on its inaugural RAP, and look forward to following its continued reconciliation journey.
